Cootamundra Medical Centre

BEST WISHES TO BMS NSW

We have current vacancies at our Accredited Training Practice - an excellent training facility for AMC Graduates!

Nestled in the rural Murrumbidgee region of NSW is Cootamundra Medical Centre, a country based surgery providing you with a great lifestyle and work balance. Located in Cootamundra NSW, a well established regional town, Cootamundra is only 3.5 hours west of Sydney and 5 hours north of Melbourne. Beautiful scenic drives, bush walking & hiking, affordable housing, reputable schooling and a community orientated population.

Well established patient base with continuous growth and high billing potential. Mixed billing practice, owned by local GP's. FLEXIBLE work/life balance.

You will be working alongside colleagues with an extensive and varied skill range and have the option to be involved in weekly practice education gatherings where all clinical staff are encouraged to present topics/clinical findings/ or problems if they choose.

We have 3 extremely skilled and knowledgeable Registered Nurses who will assist you with skin procedures and all other areas of general practice. We offer a large range of services for our patients to accommodate their health needs and run several clinics and programs. These include Q fever, immunisation, obstetric checks, skin cancer, preventative health, diabetes, Care plans, ATSI health assessments etc.

We pride ourselves in knowing our patients in a friendly but professional manner. We have a wide range of interesting and complex patients who would like to build a genuine rapport with an understanding, thorough and dedicated GP. Together we can provide a higher quality of care to the community. Family Practice at it's Best. MMM4 location.
